CONV. NASA

Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

3. The secrecy order recommendation is due 15 months from the date of the application. The PTO will delay the publication of an application until 18 months after the filing date. The secrecy order recommendation is due 15 months from the filing date. The application will be published for examination 18 months from the filing date. 30 days from the date of publication, the application is subject to a secrecy order. The application is subject to a secrecy order if the application is published for examination 18 months from the filing date. 30 days from the date of publication, the application is subject to a secrecy order.
